

The image shows a map interface with a dark background. A white legend box is overlaid on the map, containing two entries: 'PROD PWS Network Pro' with an eye icon and a right-pointing triangle, and 'Satellite imagery' with an eye icon. The map itself displays a network of red and blue lines representing water pipes, with several blue square markers indicating specific nodes or valves. The map is overlaid on a satellite-style image of a residential area with yellow property boundaries. The street name 'Mujira Rample' is visible in several locations. In the top-left corner of the map area, there are zoom-in (+) and zoom-out (-) controls. In the top-right corner, there is a close (X) button. On the right side of the map, there is a vertical grey scrollbar with arrowheads at both ends. At the bottom of the map, there is a copyright notice: 'Esri Community Maps Contributors, © OpenStreetMap, Microsoft, Esri, TomTom, Garmin, ME... Powered by'.
