 - 24.4 if a tenant arranges for repairs to be carried out under clause 24.3, the lessor must, as soon as practicable after the repairs are carried out, reimburse the tenant for any reasonable expense incurred by the tenant in arranging for those repairs to be carried out and paying for those repairs.

The tenant agrees to make all reasonable efforts to report to the Lessor all damage and any state of disrepair to the premises, as soon as practical after the same occurs. Failure to do so will render the tenant liable for all costs and/or losses incurred by the lessor as a result of such failure to report (examples of the types of incidents that might give rise to a need to make a report as soon as practical include, but are not limited to, a broken window, a kitchen cupboard door falling off, a cracked shower screen or a burst water pipe on the leased premises or a machine, such as a pool pump, that forms part of the leased premises, being in need of repair). Alterations to the Premises	2.23. Notwithstanding which election is selected with respect to the right of the tenant to affix and remove fixtures in Part A, the tenant must not place any sign on, or paint the premises, use blue tack or any other adhesive material, or drive any nails or screws into or deface any part of the Premises except as allowed pursuant to the <i>Residential Tenancies Act 1987</i> .

Inspections	2.28. Provided that the lessor has complied with clauses 25 to 29 of Part B of this residential tenancy agreement, if the tenant is not present at the time specified in any notice for the inspection provided by the lessor, the tenant agrees that the lessor or the lessor's Property Manager or their employees may enter the premises.
Keys and Electronic Keys	2.29. Subject to the provisions of section 45 of the Act and clause 38 of Part B of this residential tenancy agreement, the lessor will supply to the tenant one set of Keys that enable access to the premises. 2.30. Should the tenant require an additional set(s) of the Keys or the existing set to be recoded (due to the fault of the tenant), then any cost associated with an additional set(s) or recoding will be borne by the tenant and must be paid for by the tenant prior to receiving the additional set(s) of the Keys. 2.31. Should the tenant lose possession of the Keys, then the tenant will be responsible for all costs and expenses associated with replacing the Keys, or gaining access to the premises. 2.32. Email Fraud Prevention Notice

****Due to the recent increase in scams and intercepted emails, as an extra safety precaution please telephone your agent's office to confirm their bank account details are correct BEFORE sending any funds by EFT or Direct Debit to the agent.****

Always independently verify your agent's bank account details that you have received BEFORE sending any money.

Criminals/hackers are targeting email accounts of various parties involved in real estate transactions (e.g. conveyancers, mortgage brokers, and real estate agents).

Emails can be intercepted and resent to say that either: (a) the bank account where money for the transaction has to be deposited has changed and giving new details (which are the fraudsters account details); or (b) the banking details (which the fraudsters have changed to their account details).

These emails are convincing and sophisticated. Among other concerns, this has led to fraudulent instructions being used to divert funds to the criminal's bank account.

These emails may look like legitimate emails from the proper party. If you receive an email regarding instructions that contain any suspicious information, do not click on any links that may be in the email and do not reply.

REIWA strongly recommends that Buyers, Sellers, and their respective conveyancers and others working on a transaction, refrain from placing any sensitive personal and financial information in an email, directly or through an email attachment.

When there is a need to share numbers, bank accounts, credit card numbers, EFT instructions or similar sensitive information, REIWA strongly recommends using more secure means, such as providing the information in person, over the phone, or through secure mail or courier services, whenever possible.

In addition, before a Buyer or Seller transfer any funds to any party (including the Seller or the Seller's agent, conveyancer or mortgage broker), personally call them to confirm that the information is legitimate and correct (i.e. confirm the BSB and account number).

A Buyer and Seller should call the recipient of the funds at a number that is independently obtained (e.g. from the Contract, the recipient's website, etc.) and not use the phone number in the email in order to be sure that the recipient is a legitimate party.

STRATA TITLES ACT 1985**SCHEDULES****SCHEDULE 1 & SCHEDULE 2 (s39)****Schedule 1 – Governance by-laws**

[Heading inserted by No. 30 of 2018 s. 86.]

[Part I heading deleted by No. 58 of 1995 s. 87(1).]

1. Duties of owner

- (1) The owner of a lot must –
 - (a) immediately carry out all work that may be ordered under a written law in respect of the lot other than such work as may be for the benefit of the building generally and pay all rates, taxes, charges, outgoings and assessments that may be payable in respect of the lot;
 - (b) maintain and repair the lot, and keep it in a state of good condition, reasonable wear and tear, and damage by fire, storm, tempest or act of God excepted.
- (1A) The owner of a lot must –
 - (a) notify in writing the strata company immediately on becoming the owner of the lot, including in the notice the owner's address for service for the purposes of this Act; and
 - (b) if required in writing by the strata company, notify the strata company of any mortgage or other dealing in connection with the lot, including in the case of a lease of a lot, the name of the lessee and the term of the lease.

[Clause 1 amended by No. 58 of 1995 s. 87(2); No. 14 of 1996 s. 4; No. 74 of 2003 s. 112(15); No. 30 of 2018 s. 87.]

[2. Deleted by No. 30 of 2018 s. 88.]

3. Power of strata company regarding submeters

- (1) If the supply of gas or electricity to a lot is regulated by means of a submeter, the strata company may require the owner or occupier of the lot to pay the strata company by way of security for the payment of charges arising through the submeter an amount not exceeding \$200 and, if any amount so paid is applied by the strata company under sub-by-law (3), to pay such further amount or amounts by way of such security as may be necessary to maintain the amount of the security as, subject to this sub-by-law, the strata company may require.
- (2) The strata company must lodge every sum received under this by-law to the credit of an interest-bearing ADI account and all interest accruing in respect of amounts so received must, subject to this by-law, be held on trust for the owner or occupier who made the payment.
- (3) If the owner or occupier of a lot in respect of which a submeter is used for the supply of gas or electricity refuses or fails to pay any charges due for the supply of gas or electricity to that lot, the strata company may apply in payment of those charges all, or such part as is necessary, of any amount paid to the strata company by that owner or occupier under this by-law, including any interest that may have accrued in respect of that amount.
- (4) If a person who has paid an amount under this by-law to a strata company satisfies the strata company that the person is no longer the owner or occupier of a lot and that the strata company no longer has any liability or contingent liability for the supply of gas or electricity to that lot during the period when that person was an owner or occupier of the lot, the strata company must refund to that person the amount then held on the person's behalf under this by-law.

[Clause 3 amended by No. 26 of 1999 s. 104; No. 74 of 2003 s. 112(16); No. 30 of 2018 s. 89.]

4. Constitution of council

- (1) The powers and duties of the strata company must, subject to any restriction imposed or direction given at a general meeting, be exercised and performed by the council of the strata company and a meeting of the council at which a quorum is present is competent to exercise all or any of the authorities, functions or powers of the council.
- (2) Until the first annual general meeting of the strata company, the owners of all the lots constitute the council.

- (3) If there are not more than 3 lots in the scheme, the council consists of all of the owners of the lots and, if there are more than 3 lots in the scheme, the council consists of not less than 3 nor more than 7 of the owners of the lots, as is determined by the strata company.
- (4) If there are more than 3 lots in the scheme, the members of the council must be elected at each annual general meeting of the strata company or, if the number of lots in the scheme increases to more than 3, at an extraordinary general meeting convened for the purpose.
- (6) If there are co-owners of a lot, 1 only of the co-owners is eligible to be, or to be elected to be, a member of the council and the co-owner who is so eligible must be nominated by the co-owners, but, if the co-owners fail to agree on a nominee, the co-owner who owns the largest share of the lot is the nominee or, if there is no co-owner who owns the largest share of the lot, the co-owner whose name appears first in the certificate of title for the lot is the nominee.
- (8) Except if the council consists of all the owners of lots in the scheme, the strata company may by special resolution remove any member of the council before the expiration of the member's term of office.
- (9) A member of the council vacates office as a member of the council –
 - (a) if the member dies or ceases to be an owner or co-owner of a lot; or
 - (b) on receipt by the strata company of a written notice of the member's resignation from the office of member; or
 - (c) at the conclusion of an annual general meeting of the strata company at which an election of members of the council takes place and at which the member is not elected or re-elected; or
 - (d) in a case where the member is a member of the council by reason of there being not more than 3 owners of lots in the scheme, on an election of members of the council (as a result of there being an increase in the number of owners to more than 3) at which the member is not elected; or
 - (e) if the member is removed from office under sub-by-law (8); or
 - (f) if the Tribunal orders that the member's appointment is revoked and the member is removed from office.
- (10) The remaining members of the council may appoint a person eligible for election to the council to fill a vacancy in the office of a member of the council, other than a vacancy arising under sub-by-law (9)(c) or (d), and any person so appointed holds office, subject to this by-law, for the balance of the predecessor's term of office.
 Note for this sub-by-law: By-law 6(3A) provides for the filling of vacancies in the offices of chairperson, secretary and treasurer.
- (11) Except if 1 person is the owner of all of the lots in the scheme, a quorum of the council is 2 if the council consists of 3 or 4 members; 3, if it consists of 5 or 6 members; and 4, if it consists of 7 members.
- (12) The continuing members of the council may act even if there is a vacancy in the council, but so long as the number of members is reduced below the number fixed by these by-laws as the quorum of the council, the continuing members or member of the council may act for the purpose of increasing the number of members of the council or convening a general meeting of the strata company, but for no other purpose.
- (13) All acts done in good faith by the council, even if it is afterwards discovered that there was some defect in the appointment or continuance in office of any member of the council, are as valid as if that member had been duly appointed or had duly continued in office.

- (7) The chairperson, or a person appointed by the chairperson, must count the votes recorded on valid ballot forms in favour of each candidate.

- (9) If the number (in terms of lots or unit entitlements as required under the *Strata Titles Act 1985* section 122) of votes recorded in favour of any candidate is the lowest of the numbers of votes referred to in sub-bylaw (8) and –
 - (a) that number equals the number of votes recorded in favour of any other candidate; and
 - (b) if each of those candidates were to be declared elected the number of persons elected would exceed the number of persons required to be elected, as between those candidates, the election must be decided by a show of hands of those entitled to vote and present in person or by proxy.
