This Part B of this agreement differs in some respects from the approved form.

The *Residential Tenancies Act 1987* and the *Residential Tenancies Regulations 1989* apply to this agreement (to the extent the tenant has not contracted out of those provisions by virtue of clause 43 below). Both the lessor and the tenant must comply with these laws (to the extent applicable). Some of the rights and obligations in that legislation are outlined below.

- 50 The *Residential Tenancies Act 1987* also authorises the lessor and tenant to end this agreement on other grounds. The grounds for the lessor include sale of the residential premises, breach of this agreement by the tenant, where the agreement is frustrated (eg where the premises are destroyed or become uninhabitable) and hardship.-The grounds for the tenant include breach of this agreement by the lessor, where the agreement is frustrated (eg where the premises are destroyed or become uninhabitable) and hardship.

- 53 Warning: It is an offence for a tenant to fail to provide the lessor with a forwarding address when vacating the premises.

SECURITY BOND

- 54 The security bond is held by the Bond Administrator.
- 55 The lessor agrees that if the lessor or the property manager applies to the Bond Administrator for all or part of the security bond to be released to the lessor, the lessor or property manager will provide the tenant with evidence to support the amount that the lessor is claiming.
- 56 The Bond Administrator can only release the security bond when it receives either:
- 56.1 a Joint Application for Disposal of Security Bond form signed by all the parties to the tenancy agreement; or
 - 56.2 an order of the court.
- 57 If the parties cannot agree on how the security bond is to be dispersed, either party can apply to the Magistrates Court to have the dispute decided.
- 58 **Warning:** It is an offence for a lessor or a property manager to require a tenant to sign a Joint Application for Disposal of Security Bond form unless the residential tenancy agreement has terminated, the rent to be paid under the tenancy agreement is decreased or a pet is no longer kept at the premises, and the amount of the security bond to be paid to the tenant or lessor is stipulated on the form.

ADVICE, COMPLAINTS AND DISPUTES

DEPARTMENT OF LOCAL GOVERNMENT, INDUSTRY REGULATION AND SAFETY

- 64 The *Residential Tenancies Act 1987* allows the Commissioner for Consumer Protection to give advice to parties to a residential tenancy agreement, to look into complaints and, wherever possible, help to settle them. The Department of Local Government, Industry Regulation and Safety may be contacted by telephone on 1300 304 054 or by visiting one of the Department's offices.
- 65 The tenant should generally approach the lessor or property manager to solve any problem before approaching the Department of Local Government, Industry Regulation and Safety. The Department's role is one of mediation and conciliation. Except for disputes about the keeping of pets and making minor modifications the Commissioner cannot issue orders or make determinations in respect of disputes.

IF A DISPUTE CANNOT BE RESOLVED

- 66 For most disputes about keeping a pet or making a minor modification, the Commissioner may make a decision to resolve the dispute.
- Note:** Information about the Commissioner's dispute resolution process is available on the Consumer Protection website at www.consumerprotection.wa.gov.au/renting-home.
- 67 For other matters, if a dispute arises between the lessor and the tenant and the dispute cannot be resolved, either party may apply to the Magistrates Court to have the dispute decided by the court. The court can make a range of orders, including:
- 67.1 restraining any action in breach of the agreement; and
 - 67.2 requiring a party to the agreement to perform a certain action under the agreement; and
 - 67.3 order the payment of any amount owing under the agreement; and
 - 67.4 order the payment of compensation for loss or injury.

PART C**IMPORTANT INFORMATION**

Additional terms may be included in this agreement if:

- (a) both the lessor and tenant agree to the terms; and
- (b) they do not conflict with the *Residential Tenancies Act 1987*, *Residential Tenancies Regulations 1989*, or any other law (subject in all respects to clause 43); and
- (c) they do not breach the provisions about unfair contract terms in the Fair-Trading Act 2010; and
- (d) they do not conflict with the standard terms of this agreement in Part A.

Additional terms are not required by the *Residential Tenancies Act 1987*; however, once the parties sign this agreement, the additional terms are binding upon the parties unless the term is found to be unlawful.

Some of these terms may differ to the provisions of the Residential Tenancies Act 1987 and Residential Tenancies Regulations 1989 because regulation of 7F of the Residential Tenancies Regulations 1989 permits the tenant to contract out of the provisions of the Residential Tenancies Act 1987.

- (b) Further to Part A "TRANSFER OF TENANCY OR SUB-LETTING BY TENANT" the tenant may sub-let the residential premises and the tenant enters into this agreement on the basis that it will be subletting the residential premises. The lessor acknowledges and agrees that the tenant does not need to obtain the lessor's consent to any sub-letting or assignment.
- (c) The lessor must not at any time initiate any contact whatsoever with any person to whom the tenant sublets the residential premises (or any part or parts thereof) unless such contact is necessary for the lessor to undertake his, her or their obligations under this agreement including, without limitation, carrying out repairs pursuant to clause 24 in Part B and undertaking routine property inspections.

70 REVIEW OF RENT

Note: The comments contained in this box are intended to assist the parties to understand clause 70. The comments do not form an operative part of this agreement.

Clause 70(a) – (m) sets out the process for the review of market rent. It provides (among other things) that prior to the review date either party can propose a new rent which the other party can either accept or dispute. If the parties cannot agree, a valuer will determine the new rent.

Unless clause 70(k) applies, the new rent is payable from the review date. However if the parties have not determined the new rent by the review date the current rent will be continue to be paid until the new rent is determined. Once the new rent is determined there will be an adjustment for any difference between the rent which was paid from the review date and the new rent which should have been paid from the review date (such that any overpayment is repaid, and any underpayment is paid). The new rent will continue to apply and be payable thereafter.

- (a) On each Rent Review Date, the rent, which is payable under this agreement shall, subject to clauses 70(b), (g), (j) and (k) be reviewed with effect from that Rent Review Date to the next Rent Review Date by agreement between the lessor and the tenant or, failing agreement, the rent is to be the Fair Market Rent of the residential premises to be determined in the manner set out in clauses 70(b) to 70(k) inclusive.
- (b) Not less than 60 days prior to each Rent Review Date either the lessor or the tenant (“the Initiating Party”) may give to the other (“the Recipient Party”) a notice in writing (“the Proposed Rent Notice”) stating the rent the Initiating Party proposes should be payable from that Rent Review Date (“the Proposed Rent”). If neither the lessor nor the tenant serves on the other a Proposed rent Notice on a date which is prior to the Rent Review Date, then neither the lessor nor the tenant shall have the right to give a Proposed rent Notice and this clause 70 shall cease to apply in respect of that Rent Review Date and the rent from that Rent Review Date until the next Rent Review Date will be the same as the rent for the 12 months prior to that Rent Review Date.
- (c) If the Recipient Party disagrees with the Proposed Rent, the Recipient party is entitled to give the Initiating Party a notice in writing objecting to it (a “Dispute Notice”) within 30 days after the date the Initiating Party gives the Proposed Rent Notice.
- (d) If the Recipient Party does not give the Initiating Party a Dispute Notice within the time period specified in clause 70(c) (time being of the essence) the Recipient Party is to be taken to have agreed to the Proposed Rent.
- (e) If the Recipient party gives the Initiating Party a Dispute Notice within the time specified in clause 70(c) and the parties cannot successfully negotiate and agree the rent which is to be payable from the Market Rent Review Date, then the Fair Market Rent of the residential premises is to be determined by a Valuer (acting as an expert and not as an arbitrator) jointly appointed by the lessor and the tenant or, failing agreement, in the manner specified in clause 70(f).
- (f) If the lessor and the tenant do not agree on the Valuer to be appointed under clause 70(e) above within 14 days after the Dispute Notice is given, the Fair Market Rent of the residential premises is to be determined by a Valuer (acting as an expert and not an arbitrator) appointed by the President of the Australian Property Institute (Inc) at the request of either the lessor or the tenant.
- (g) If no Valuer has been appointed by agreement or under clause 70(f) within 60 days after the Rent Review Date, this clause 70 shall cease to apply in respect of that Rent Review Date and the rent from that Rent Review Date until the next Rent Review Date will be the same as the rent for the 12 months prior to that Rent Review Date.
- (h) Any determination of the Fair Market Rent of the residential premises by a Valuer is conclusive and binds the lessor and the tenant.
- (i) The lessor and the tenant shall each be liable for the payment of one half of the charges of any Valuer appointed under this clause and if either the lessor or tenant pay the full cost of such valuation, they will be immediately entitled to recover half of the charges of the Valuer from the non-contributing party as a debt owed.
- (j) Until the annual rent from a Rent Review Date is agreed or determined under this clause (“the New Rent”), the tenant shall pay to the lessor a rental equivalent to the rent payable immediately prior to the Rent Review Date. Subject to clause 70(k), the New Rent shall apply from, and including, the Rent Review Date.
- (k) If the Proposed Rent Notice is given less than 60 days prior to the Rent Review Date but not later than the Rent Review Date, the New Rent, if higher than the rent payable immediately prior to the Rent Review Date will, at the tenant’s absolute discretion, become payable from the Review Date. If the Net Rent is:
 - (i) more than the rent payable immediately prior to the Rent Review Date then any further sum required to be paid by the tenant shall be paid in full to the lessor immediately that sum is known; or
 - (ii) less than the rent payable immediately prior to the Rent Review Date then any sum required to be paid by the lessor shall be paid in full to the tenant immediately that sum is known.
- (l) For the avoidance of any doubt, the amount referred to in clause 70(k) above is a debt owed and can be recovered immediately.
- (m) In this clause 70, if a day on or by which an obligation must be performed falls on a Saturday or Sunday or public holiday in Western Australia, then the parties agree that the day by which that obligation must be performed will be the first business day immediately following that particular Saturday, Sunday or public holiday.

71 PUBLIC UTILITY SERVICES

- (a) Notwithstanding anything to the contrary in Part A, “Electricity, Gas and other Utilities” or clauses 11 to 15 of Part B of this agreement the lessor covenants and agrees that he, she or they will be solely responsible for the payment of all rentals, hire, service and/or maintenance fees and charges associated with the supply of gas to the Premises.
- (b) In consideration of the tenant paying the consumption charges for gas consumed on the Premises the tenant may, by notice(s) in writing given to the lessor at any time or times, direct the lessor to utilise an LPG gas retailer nominated by the tenant to supply gas bottles and/or gas to the Premises, and the Lessor must comply with each direction given under this clause.
 - (i) Within one (1) calendar month of receipt of that direction; and
 - (ii) Until the expiration of this agreement or until a new direction is given by the tenant, whichever occurs first.

- (c) For the avoidance of doubt, nothing in clause 71(b) limits the lessor's obligations under clause 71(a) or exposes the tenant to any liability to any nominated LPG gas retailer(s), or to the lessor in connection with any liability the lessor may have to any nominated LPG gas retailer(s).
- (d) Without limiting clause 71(e) if the lessor receives any accounts for public utility services consumed at the residential premises which are payable by the tenant pursuant to this agreement ("Accounts"), it must provide them to the tenant on a timely basis. Notwithstanding anything to the contrary in Part A, "Electricity, Gas and other Utilities" or clauses 11 to 15 of Part B, if the lessor fails to provide to the tenant any Account within 30 days of the date of that Account, the tenant shall not be liable to pay for the public utility service consumption charges in that Account.
- (e) Subject to clause 71(j), the lessor authorises the tenant to arrange (if it so desires) and without being under any obligation to do so) with the appropriate public utility service providers to directly receive all Accounts.
- (f) The lessor covenants and agrees that he, she or they will be solely responsible for the payment of any water or excess water charges associated with or arising out of any water consumed, used or supplied on or at the residential premises as a consequence of any lavatory, toilet, sink, drain, main, reticulation or any other plumbing facility leaking or otherwise being damaged or faulty. The tenant, acting responsibly, shall determine (and its determination shall be binding on the lessor) the proportion of any charges in an account for water usage attributable to such leak, damage or fault, where appropriate, based upon a comparison by the tenant of the quantity of water previously consumed at the residential premises during the term of this agreement where no such leak, fault or damage existed ("the Determined Amount"). The tenant shall not be required to pay to the relevant public utility service provider directly or to reimburse to the lessor the Determined Amount. However, if the tenant does pay the Determined Amount directly to the relevant public utility service provider, the lessor must reimburse to the tenant the Determined Amount on demand. If the tenant has received from the relevant public utility service provider directly an account for water usage which includes a Determined Amount, the tenant shall provide a copy of such account to the lessor.
- (g) Notwithstanding clause 71(f) above, the lessor will not be required to pay to the public utility service provider or reimburse to the tenant the Determined Amount if the damage or fault which has caused the lavatory, toilet, sink, drain, main, reticulation or any other plumbing facility to leak is directly attributable to the negligence of the tenant or the negligence of any person to whom the tenant sublets the residential premises (or any part or parts thereof).
- (h) The lessor acknowledges and agrees that the tenant is not responsible, and accepts no liability whatsoever, for any water infringement notices which are issued by the relevant public utility service provider in relation to the premises.
- (i) Without limiting clause 71(h) above, the tenant agrees to:
 - (i) require its sub-tenant to comply with water restrictions prescribed or imposed by Water Corporation (or such other authority) from time to time; and
 - (ii) promptly pass onto its sub-tenant any water infringement notices which are provided to it by the lessor,
- (j) If the residential premises contain solar panels and the lessor receives payments and/or benefits from the Government, the national grid and/or any energy suppliers in relation to those solar panels:
 - (i) the tenant is not authorised to directly receive the Account from the energy supplier and agrees that the Account will remain in the name of the lessor;
 - (ii) any rights of the lessor, by agreement with an energy supplier, to receive and retain benefits with respect to feed-in tariffs will remain;
 - (iii) the lessor will provide the Account to the tenant on a timely basis; and
 - (iv) subject to the terms of clause 71(a), including the obligation on the lessor to have provided the Account no later than 30 days of the date of that Account, the tenant will be liable to pay that portion of the Account which relates to electricity consumption either to the energy supplier directly or to the lessor as reimbursement (whichever the lessor directs).

 - (i) the tenant may, without reference to the lessor, arrange for the connection (including all required infrastructure) including at least one outlet; and

- (ii) the reasonable expense incurred by the tenant in arranging and paying for the connection (including required infrastructure) is a debt owed by the lessor to the tenant and is immediately recoverable by the tenant.
- (c) Without limiting clause 72(b)(ii) the tenant may, in its absolute discretion, choose to offset its expense of arranging and paying for the connection from the rent payable by it hereunder.

 - (iii) no Legionnaires disease bacteria or any hazardous substance or material exists in or upon the residential premises.
- (b) Without limiting clause 73(a) if:
 - (i) any asbestos containing material which is not in good condition and not in a bonded or non-friable form (**Friable ACM**) is subsequently discovered in or upon the residential premises; and
 - (ii) the presence of the Friable ACM is not attributable to the negligence of the tenant, then:
 - (iii) the lessor must at its own expense promptly and in a safe manner remove and remediate the Friable ACM to the satisfaction of the tenant; and

- (d) If the occupation and use of the residential premises by the tenant has been rendered unsafe as a result of the presence of the Friable ACM or the Harmful Material and in the written opinion of an independent expert appointed by the tenant the residential premises are unlikely to be rendered safe within three (3) months from the date of that opinion the lessor agrees that this will be and be deemed:
 - (i) to have rendered the premises uninhabitable and to confer on both the lessor and the tenant a right to give a notice of termination under s.69(1) of the *Residential Tenancies Act 1987* ; and also
 - (ii) to be a breach of this agreement, which will, in all of the circumstances then existing, justify termination of this agreement by a competent court on application thereto by the tenant in accordance with s.75 of the *Residential Tenancies Act 1987*,
 and provided further that upon termination of this agreement in accordance with this clause 73(d) the tenant shall have no further obligations under this agreement.

- (i) continue to occupy subsidised government housing in the Area; or
 - (ii) make an application to a government department or the tenant for subsidised government housing in the Area; or
 - (iii) commence to occupy subsidised government housing in the Area.
- (c) The lessor acknowledges and agrees that, if he, she or they are in breach of clause 74(b) above, this will be and be deemed to be a breach of this agreement which will, in all of the circumstances then existing, justify termination of this agreement by a competent court on application thereto by the tenant in accordance with s.75 of the Act.

75 DAMAGE TO PREMISES AND REPAIRS

- (a) In addition to the lessor's obligations under clauses 22 to 24 inclusive, it is a requirement of this agreement that:
 - (i) arrangements for repairs that are necessary to remove or address a serious safety issue (including without limitation the repair or replacement of defective or non-operational smoke alarms and residual current devices) (hereinafter called "Emergency Repairs") must be made with a suitable repairer within 8 hours of notification to the lessor of the need for those repairs; and

- (d) If within the time frame specified in clause 75(a)(ii) arrangements have not been made for a suitable repairer to undertake any Routine Repairs or those Routine Repairs have not been completed within 10 Business Days after notification to the lessor of the need for those repairs, and the lessor fails to complete those Routine Repairs within 5 Business Days after receipt of a further notification from the tenant, the tenant may arrange for those Routine Repairs to be carried out by a suitable repairer.
- (e) If the tenant arranges for any repairs to be carried out under clause 75(d), the lessor must, as soon as practicable after the repairs are carried out, reimburse the tenant for any reasonable expense incurred by the tenant in arranging for those repairs to be carried out and paying for those repairs.

- (i) If repairs are carried out by a suitable repairer and the lessor is of the view that the tenant is liable under this agreement or the Act for those repairs then the lessor must provide any invoice or account for those repairs issued by the repairer ("Invoice") to the tenant on a timely basis. Notwithstanding anything to the contrary in this agreement if the lessor fails to provide the Invoice to the tenant within two months of the date of that Invoice, then the lessor will be taken as having accepted liability for the repairs and responsibility for the payment of the Invoice and the tenant shall not be liable to pay the Invoice or pay for any repairs to which the Invoice relates.
- (j) If the lessor is required, in accordance with its obligations under this agreement or the Act (including without limitation under clauses 22 to 24 inclusive, 73 or 75(a) and (b)), to effect any repairs or replacements to or to undertake any maintenance to the residential premises, and the tenant is required to vacate the residential premises in order for such repairs or maintenance to be carried out, then (without limiting any other rights which the tenant may have against the lessor under this agreement or at law), the lessor must pay or reimburse the tenant for all reasonable costs and expenses suffered or incurred or payable by the tenant:

76 LESSOR'S INSURANCE

- (a) The lessor must insure and keep insured all buildings and improvements now or at any time during the term of this agreement on or comprising the residential premises against loss or damage by all risks against which a prudent owner would ordinarily insure for the full replacement cost.

77 ADDITIONAL INSPECTIONS AND CERTIFICATES

- 77.1 In addition to the initial and final property condition reports which are required to be obtained in accordance with Part A "Property Condition Reports", the lessor (or its managing agent) must inspect the residential premises at least twice a year (in each case, not less than 14 days before and not more than 14 days after each six-monthly anniversary of the starting date of this agreement) throughout the term of this agreement and provide any report in relation to that inspection to the tenant within 7 days of the inspection having taken place.
- 77.2 If, as a result of the inspection referred to in clause 77.1, if the lessor (or its managing agent) considers that the residential premises are not in a reasonable condition, then the lessor (or its managing agent) will provide written notice of any damage to the premises which has occurred since the date of the last inspection which is not in the nature of fair wear and tear and which is not damage insured against by the lessor or required to be insured against by the lessor.
- 77.3 If the lessor (or its managing agent) gives a notice under clause 77.2, the tenant will promptly rectify any damage referred to in it (which is not in the nature of fair wear and tear and which is not damage insured against by the lessor or required to be insured against by the lessor). However, if the tenant is of the opinion any damage which is referred to in a notice given by the lessor under clause 77.2 is fair wear and tear or damage insured against by the lessor or required to be insured against by the lessor, it shall promptly after receipt of such notice, notify the lessor of its opinion and the parties shall meet to resolve this dispute, failing which either party may make an application to a competent court to have the dispute determined pursuant to section 15(1) of the RTA.
- 77.4 If the lessor or property manager (or any person accompanying the lessor or property manager) causes damage to the goods of the tenant's sub-tenant(s) (or other member of its household) when exercising a right of entry, whether under clause 25 or this clause 77, the lessor is obliged to compensate the subtenant or the householder (as the case may be).
- 77.5 The lessor warrants that, at the date of commencement of this agreement, the premises are fitted with fully functioning electrical safety switches and smoke alarms in compliance with any law applicable at the relevant time. The lessor will, on the yearly anniversary of the starting date of this agreement, provide the tenant with a copy of a current electrical safety certificate in connection with all safety switches and smoke alarms installed in the premises (which certificate must include the expiry date(s) of the smoke alarm(s)). If the lessor fails to provide any electrical safety certificate to the tenant, the tenant may obtain such certificate (at the cost and expense of the lessor) and offset its costs of doing so from the rent payable.
- 77.6 Without limiting the lessor's obligation in relation to smoke alarms under clause 75(a)(i) and clause 77.5 of this agreement, the lessor agrees that the tenant may undertake its own annual inspection of the smoke alarm installed in the premises and, if the smoke alarm is found to be defective or non-operational at that time of inspection, the tenant may (at the cost and expense of the lessor) remediate, repair or replace the smoke alarm and offset its costs of doing so from the rent payable.

78 TERMINATION OF THIS AGREEMENT CONSEQUENT UPON THE LESSOR'S BREACH

- 78.1 The tenant may terminate this agreement by 30 days' written notice to the lessor if the lessor has:

conferred by the *Residential Tenancies Act 1987*, including without limitation the tenant's right to apply to a competent court for any order terminating this agreement under s.75 of the *Residential Tenancies Act 1987* on the basis that the lessor has breached this agreement (including without limitation where the alleged breach is of clauses 22 to 24 inclusive or clause 75(a) or (b)) and such breach is, in all of the circumstances of the case, such as to justify termination of this agreement.

- 79.3 Without limiting the lessor's obligations under clause 79.1, and regardless of whether pest infestation in the premises is evident, the lessor agrees to, if so requested by the tenant, carry out an annual pest control treatment in the premises (but only if such premises are situated in the north of the 26th parallel of the state of Western Australia).
